

The Recovery Coalition of Dane County (RCDC) strengthens individuals and communities through a collaborative network that supports Mental Health and Substance Use Recovery.

### Membership Dues Form

The 2021 annual membership dues for the Recovery Coalition of Dane County are only \$35.00 per voting member. Agencies may have up to two voting members, but any number of agency staff can attend the monthly meetings and our annual educational summit.

Membership entitles you to **vote** on issues affecting the coalition, to **keep informed** about changes in agencies and services, and to have an **opportunity to network** and stay connected with colleagues. It also entitles you to **free job and event postings** on the coalition web site that receives over 2,000 page views per month! <https://recoverycoalitionofdanecounty.org/>

Please choose a desired workgroup subcommittee to be an active member in addition to the general meetings. Subcommittee commitments are an additional 1 hour per month outside of the general meeting. The RCDC subcommittee's roles are as follows.

- Systems Change Workgroup - Identify and prioritize an area of change happening and/or needed within the behavioral health community and work to provide insight, education, and recommendations from a provider and person with lived experience perspective.
- Racial Justice & Equity/Membership Workgroup – Address systematic racism in behavioral health services within Dane County. Increase equity and inclusion amongst RCDC members by having a more diverse membership. Work to increase racial justice and equity advocacy efforts to the people we provide behavioral health services to in Dane County.
- Training & Education Workgroup - Share available community based trainings with the larger RCDC thru the email list serve. Work on developing and planning the annual Summit as well as other training opportunities identified as a need by the general membership.

Please complete the form below and mail it with your check for **\$35.00 for one voting member** or **\$70.00 for two voting members** to the address below for the 2021 membership year.

Please make your check out to:      Recovery Coalition of Dane County  
P.O. Box 259243  
Madison, WI 53725
